Request to extend Time to answer by sixty days -

In reference to the above, I request the TTAB to grant an extension of time by sixty days for me to answer. Representing myself, I am studying the nuances of the laws governing this matter and it's taking longer than expected.

Secondly, running the company is very time consuming, but an endeavor that I greatly enjoy. This in turn leaves me scrambling for time through unending days. Considering that Apple, Inc. has the resources to employ top notch representation and I must do all the work for my start up, the challenge becomes quite daunting.

I thank the TTAB for their consideration to grant me the extension of time.
